Mission Minutes

More than 3700 of the world’s languages have no translation of the Bible. Pause. Reflect. What if you were one of them? About half of those languages are only spoken, not written. That makes the task of translation more challenging than ever! Wycliffe has a goal of providing 95 Bible Translation Recording Kits this year for \$500.00 each. These have been very effective for those with no written language. “Faith comes from Hearing”. Romans 10:7 NIV
