In order to make people feel comfortable and free to worship this morning, the church council has put a few things in place:

- * Our ushers will open the door to the church for you
- * Please refrain from handshaking and hugging this morning
- * There is a station set up in the foyer with hand sanitizer
- * There is a place in the foyer for you to place your offering (so that the basket does not need to be passed to every person)
- * Please sit together as families and leave space between you and other families
