In order to make people feel comfortable and free to worship this morning, the church council has put a few things in place:

- * Doors will be propped open for you
- * Please refrain from handshaking and hugging this morning
- * There is a hand sanitizer station
- * There is a place for you to place your offering (so that the basket does not need to be passed to every person)
- * Please sit together as families and leave space between you and other families
