## MISSION MINUTES

A recent report states that the “American church has fallen: fake Christianity has supplanted the Biblical Worldview.” This counterfeit religion is Moralistic Therapeutic Deism. This perspective is “we’re here to be good people and to try to do good...everything is supposed to be geared to making me feel good about myself, ultimately to make me happy.” Deism is the idea that God created the world but has no direct involvement in it. Basically, according to MTD, there is a distant God who just wants everyone to be nice, and the purpose of life is to be happy. **PRAY FOR AMERICA’S CHURCHES.**
