MISSION MINUTES

After five weeks of secret messages, covert phone codes, and a risky 500 mile journey, Bibles were delivered to an underground church deep in the Middle East. When the Bibles arrived, the joy of the new believers who receive them was palpable. This was the first time they'd ever seen a complete Bible, the first time they'd ever held one in their hands. And now each family had a copy of God's Word to secretly keep in their own homes.
