MISSION MINUTES

Self worship is the world's fastest growing religion, "the chief end of man is to glorify and enjoy himself forever." It's also the oldest, see Genesis 3! Here's a few of their commandments. "Your mind is the source and standard of truth, so no matter what, trust yourself." "You are supreme." "You are...the standard of goodness, so don't let anyone impress you with the notion of being a sinner who needs grace." Etc. If we are going to effect a people who have fallen for the cult of self worship we need to center our lives on the "God greatly to be feared in the council of the holy ones and awesome above all those who are around Him."
