## MISSION MINUTES

Musfar (fake name) has been handing out Bibles to secret believers in his nation. Police made a surprise visit and raided his home. They searched everywhere. His apartment is small and he had over 1,000 Bibles stacked in an obvious location. The police looked directly at them but never touched them or examined them! Could their eyes have been blinded? He was taken to jail and accused of distributing Bibles but they could find no evidence. Give God glory!
