MISSION MINUTES

“Oscar”, mission worker in Nigeria, relates how some people came with machetes and swords to kill them. While staring death in the face he and fellow workers decided to offer one last act of kindness to their persecutors. They gave them their food and they left, but later returned saying “We were here to kill you. Since we are poor, no one has ever given us gifts, but because of these gifts, we want to become Christians. “ There is power in kindness!
