## MISSION MINUTES

A proposed ordinance in an Indiana city would coerce churches into forfeiting any counsel that would imply or teach there is anything sinful about LGBTQ behaviors, feelings, and identities. The goal is to change the culture by silencing the church, by intimidating Christian parents and by sending the public a signal that holding to the Biblical convictions of historic Christianity is not only “on the wrong side of history” but on the wrong side of the law. Do we need a reminder to pray for America?!
