## MISSION MINUTES

In Afghanistan a group of Taliban fighters went searching for a certain Christian community. They found them and killed them all. On their return they had an encounter with an angel, and this angel rebuked these men and gave them instructions on where to go. This “someone” (they had no idea who he was) happened to be a leader of the underground church movement! These Taliban fighters laid down their weapons before this church leader who proclaimed Jesus to them. Christians have taken them in as disciples in the way of Jesus. Never underestimate the power of the Word!
