MISSION MINUTES

In one Muslim country, a twenty-two year old younger man recently picked up a free N.T. from a stack outside a church. He took it home, read it in secret and hid it in fear. Meanwhile, his twenty-four year old brother was watching the same ministry's messages online, and secretly put his faith in Christ. Can you imagine their joy when they learned their secrets? And we can read the Word openly and freely. Do we?
