MISSION MINUTES

Some may remember Martin and Gracie B. who were captured and held in the Philippines some years ago. Martin was killed in their rescue but Gracie survived. She has printed comic books in the native languages for prisoners. Some time ago she met American missionaries who use them in the prisons in the Philippines. They knew of twenty three who are spending life in prison, doing Bible studies etc. At least five have come to faith, one with twenty counts of murder. We don't see God's future plans in our sufferings but He is working.

Happy Birthday
