MISSION MINUTES

Gary and Esther S.: Our time in PNG over the Christmas break was one of those bandages from the Lord. It was so good seeing, hugging and crying with so many of our friends (and family!) there. It was especially sweet being in Dinangat with our brothers and sisters in the tribe. They asked us to share the story of what happened with Nathan. Whew, that was hard but helpful for them and us.

We are back into our ministry as Deans for the Married students. These students have been a tremendous source of encouragement to us. It is sometimes difficult when life just goes on for everyone else while we are still hurting. But we totally understand.

Pray for Gary and Esther during their time healing.
